- Enhancements
- Reporting Compliance
- Q&A

Program Update

Welcome

- Introductions
- Today's program
- CRCCFund.org website
 - New CRCCF Users
 - Tutorials
 - Previous Updates
 - Access

Shown at this year's ILA Convention in San Juan, PR

Program Update

Where We Are

- 36 Shipping Lines are Live
- CRCCF statistics through mid October
 - 3500 voyage files processed
 - 1.62M containers
 - 19.2M tons
 - \$80.8M royalties billed
- Working to help final carriers get connected to system

Program Update

Enhancements/ Recent Changes

Recent Changes

- Carrier access to container exceptions
- View-only modes for agents

In-progress

- Carrier access to missing voyage reports for vessels
- Invoice date = file submit date
- Allowance for partial weight tanks
- Improved FTP loader logic w/ SFTP
- Hosting upgrades to improve response times
- File error processing
- Default # of lines per page
- New Reports:
 - Weight Adjustment Audit
 - Custom downloadable invoice formats
 - Weight variances on Container Exceptions

Program Update

Compliance and Reporting

Program to improve workflow and payments timing

- Metrics:
 - Time to report
 - Time to Invoice
 - Vessel arrivals/departures
 - Percentage of files in error
 - Refile interval
 - Carrier payments
 - Funds payments
 - Ticket resolution

The CRCCF team will publish reports to boost performance and improve the CRCCF experience for all participants

Program Update

Compliance and Reporting

Examples

- Missing Vessel filings (no upload)
- Weekly reminders for container exception reconciliation
- Average time to file uploads (post last POC)
- Invoice payment
- Funds payment interval
